It's storytelling at its best, and you'll want to see every line.

The Sussex Murals are made possible through the King's East Development Partnership Inc. (KEDP), a non-profit organization that fosters economic development in the Sussex area. Its members include the Town of Sussex, the Village of Sussex Corner, the Local Service Districts (LSD), the Sussex and District Chamber of Commerce (SDCC), the Downtown Business Association (DBA), the King's County Tourism Association (KTCA) and Enterprise Fundy.

"Murals bring a creative dimension into day-to-day life, and reach far beyond the scope of galleries and museums, which cater only to a minority. They can enhance otherwise ordinary architecture and bring a new dimension to a whole area."
